and exertion overcomes me. My wife is something of the same temperament, and

also longs annually for the sesside; for we

don't consider a mere visit to the country

that sort of thing; but we can have all

that if we drive to Richmond or Epping

Forest. What we want is a sniff of the

ions she's imbued my wife with-horror of

Margate being one or them.

ioned my favorite haunt.

"Bother the people," I replied : "I sup-pose you want Brighton with the sun in

your eyes all day, and everybody drossed a if they were going into the Park."

of the head; "it's not the season at Brigh-

such stress on its being the season; in fact the was rather partial to the earlier por

tion of the summer or the autumn, lodg-ings being cheaper at those times. Well,

an "out." We like fields, and cows, and all

saying, when the weather begins to grow warm I find my place of business insup-portable, I soon begin to grow warm my-self, and a very small amount of sunshing

people say they like to go to the seaside for quiet. Very good; let 'em go. I pre-fer noise. I hate quiet. I like niggers. I like Punch. I like Judy; and as for your Esplanades and duliness at your fashionaplaces, they're not in my way, and that's the honest truth. Now in her heart my wife delights in Margate too. Why we went there when we were courting, and But when I suggested Margate this year you should have seen the expression of my wife's face. It was grand. I knew what

Monday." Going to Mudville, and getting there, it meant. We've lately grown acquainted with Mrs. Mackintosh of — Square, a very genteel lady she is, and mighty grand nothe train putting you down at very con-siderable distance from your destination. We started self and wife, my son "Mrs. Mackintoen tells me that Margate is unboarable this sesson; such a set of people!" said Mrs. Coodler to me when I Christopher, aged hine, my nurse, Sarah Naggles (estimable but warm tempered) and my infant, Roderick-from the station after breakfast, and the train put us down at Muffborough, and left us looking disnsolately at our boxes on the platform and wondering whether we should get a fly for we were some miles from Andville "Oh, dear no!" said my wife, with a toss

toa yet."

Pretty changes had taken place in my
wife's notions since Mrs. Mackintosh made
her sequaintance. She never used to lay But first, touching the Interesting Stranger. He was a remarkably good looking person, that is for those who admire tal people-I don't; dittle and good's m o. He had a slight tendency of bloc ings being cheaper at those times. Well, from Brighton I went through all the seaside places I could think of; but Mrs. Coodler had an objection to them all. I began at last to have scrious fears that we should miss our seaside out altogether, for Mrs. Mackintesh had semething to say mainst every place. My wife determined I don't envy those who have 'em, not I. Ha parted his hair down the middle (an internal countries). from Brighton I want through all the sesting how I was a could think of; but Mrs. Coodler had an objection to them all. I was a street on things I every head of the sesting how I have serious fears that we should miss our seasified out altogether, for Mrs. Mackintesh had something to say against every place. My wife determined to go nowhere "out of the season," so really our choice was limited, as those places whose seasons fell late in the year were out of the question. I must take mysix weeks that the think is the summer, you see and so, the Isle of Thanel being shut sgainst ut/for Earney the season fell late had something to say. But no further to the question. I must take mysix weeks the shared the Mackintesh deductation, and Broadstairs I kicked at myself, I begant for the group of the question. I more judge a man by his appearance, and Broadstairs I kicked at myself, I begant for the same of the season fell late the propose shared the Mackintesh deductation, and Broadstairs I kicked at myself, I begant for the same of the same of the season fell late the propose shared the Mackintesh deductation, and Broadstairs I kicked at myself, I begant for the same of the season fell late the propose shared the Mackintesh deductation, and Broadstairs I kicked at myself, I begant for the same carriage with us as we were selected. However, I must take myself, I begant for the same carriage with us as we were selected to see the children's diment, with a family, I begant for the same and the propose shared the propose shared the Mackintesh deductation, and I must admit be year very police. He had not not share the propose shared the Mackintesh deductation, and I must admit be year very police. He had not not propose the propose shared the Mackintesh deductation, and I must admit be year very police. He had not not propose the propose shared the Mackintesh and propose the propose shared the same proposed the propose s Kew by the boat without being ill for the day; and as to my opinion of Frenchmen — well, there, if you want to get my back

Christopher into convulsions by showing

op, mention 'em, that's all.

As luck would have it, Mrs. Mackintosh's mother fell very ill about this time, and the genteel friend had to go abroad, which have going to Musiville; we were sure of the was going to Musiville; we were sure of was a great relief to me, for of all the women I ever knew sho—but there, I events. I never saw my wife so pleased say nothing, she's in a foreign land, poor with anybody in my life, for she generally say nothing, she's in a foreign land, poor thing, and I can only pity ber.

She had gone, it is true, but the genteel viper we had been nourishing in the family bosom had leit its sting.

She recommended Mudville. At present you, of course, are by no means impressed by the enormity of recommending Mudville. You don't know Mudville, never heard of Mudville, and will probably not find Mudville on the map. But wait. Hear more, and, I was going to add, avoid Mudville, but that advice would be superfluous, for a description of my visit to, and my treatment at that den of — but there again you'll exsuse me, I'msure, when you have read a few columns farther.

Wo were sitting at tea — a social meal in which I delight—nobody ever quarrels over tea; its far beyond dunner in my opinion. We were seated at tea, Mrs. Coodier, I destroy the question. So considering all things, I was surprised to see how affable she was with the Interesting Stranger bound for Mudville. When the Interesting Stranger.

over tea; its far beyond dinner in my opinion. We were seated at tea, Mra. Coodier, myself, and Grimley, an old friend. Grimley had a disagreeable knack of making himself universally unpleasant. Were it not for this he would be a very nice fellow. He is what they call a rough diamond, and takes a pleasure in being rude; but, as I say, it's his only drawback. "Pass the but tered toast, Grimley," I said with a smile, for I was in a good tempor, and was eating more than was prudest. with the Interesting Stranger bound for Mudville. When the Interesting Strang-

for I was in a good tempor, and was easing more than was prudest.

"Sconer keep you for a day than a week," repled the rough diamond, with his mouth full of muffin.

My wife threw a glance at Grimley that would have annihilated many men, but he recommended to the apartments of Mrs. Grossum's and thither we drove.

idn't notice it.

"You go in for tea as if you were at the cassic," recommended to the apartments of Mrs. Grogrum's and thither we drove.

Mrs. Grogrum's front apartments looked drinking, and swayed backwards and forout on to the ses, and by an ingenious arwards, occasionally hiccoping. I asked Tangement the builder had contrived that him his business. "Business," replied the man, looking round, as if undecided as to how he should now to approach it. My wife brightened op too, and left off looking black, a thing she always does when Grimley cames. I can't say why, but women are queer creatures and Mrs. Growther is to expensition to the sea, and by a highest data as a largement the builder had contrived that him his business. "Business," replied the man, looking round, as if undecided as to how he should word), and it seemed to me to catch every which it windows too, and they rattled delicate the properties and Mrs. Grogram's house when Grimley cames. I was pleatefully supplied with windows too, and they rattled delicate the man of the man

ean't say why, but women are queer creatures, and Mrs. Cooder is no exception to the rule.

"Wish I was at the seaside," I exclaimed, throwing a side glance at my wife.

"Ah! indeed," sighed Mrs. C.

"Why don't you go, then?" grunted our agreeable friend.

"When I clapt my experiment if the store of the glance at the justicend festures of Mrs.
"That's just it," replied I, hurriedly;
Why don't we, eh, Jane?"

Jane didn't know she was sure. For an epartable was ready to go to morrow.
"Margate sgain, I suppose," sneered landladie. Pardon my humble joke, it is a discount of sure partable was ready to go to morrow.
"Margate sgain, I suppose," sneered landladie. Pardon my humble joke, it is all be my last. The instant we were along time composition.

"Most decidedly I did not," I replied recould be supposed. ing—all rough diamonds have.

"Margate indeed!" said my wife, with a toss of her head. "Oh dear, no! no more of your Margates;" then, after a pause, she added with most limitation. The instant we were settled (though we were a long time coming to terms with the one-eyed fly-driver, who was pertinacious, insolent, and apparently in a chronic state of inebriety), my settled (though we were a long time coming to?" he continued. "Nor ain't going to?" he continued. "Nor ain't going to?" I replied to the settled (though we were a long time coming to a long time coming time coming to a long time coming time coming to a long time coming time comi or your margates; then, atter a pause, one referred to see what we could have your Ramsgates."

Now this was quite uncalled for, as we had never stayed at Ramsgate, nor had I of the see what the could have better judge of butcher's meat or fish. So she started (unintentionally rather) "but I wonk. I'm of butchers meat or isn. So she started off with the view to seeing the tradespectual that we should.

Grimley had always abused Margate. Now, however, he exponed the cause of that charming place and praised it beyond measure.

"Got too grand for Margate, I suppose, Coodler," he observed taking another content of the pages of the pages for which I have a weakness, I admit, when a loud tap was heard at my door, and heave to seeing the tradespectual to settle myself. I had not got through the first half of my police teports (a part of the pages for which I have not eaten pie since. He vanished. I turned my head away shudderingly, and when I recovered my-heard at my door, and heave not eaten pie since. heard at my door, and before I had time to self he had gone.

sey come in, the form of Mrs. Grogrum I was becoming rabid. I was also awblocked up the entrance, and stood quivering with some strong emotion. I have before observed that I am beneath the middle height—a good deal beneath it—I am also a peaceable man, prone to let things take their own way, and with a sublime respect for "peace and quiet." Consequently I will admit that the quivering frame of Mrs. Grogrum flustrated me, and I felt a sudden palpitation, and a general trembling, which was not lost upon the landlady, whose quivering increased, and whose jestures become if reverble processed, and whose jestures become if reverble processed, and whose jestures become if reverble processed, and whose jestures become if reverble processed.

features became, if possible, more fiery, as she saw me quali beneath her luminous eye. "Oh, sir," she blurted forth, making a sharp bob, "haking your parton, but is Mrs. Coodier to cook your mealess, or am I to do 'em? I merely wish to know to save The puppy! because he had once been down the Rhine with Mr. Cook's party.

"Or America," he continued with that horrid smile of his; "there's all sorts of "I repeat, sin, which is to do" I stared. It was the only thing I could

"I repeat, sir, which is to do 'em' our meat baked; and there's no draught ale that's dringshie to be got here, because there's so little domand for it; and the mys weddell House.

A Raccine is Circamartine.

Reader, my rame is Coodier. Having in the power of the three contents of the second one united to this extent. I need to the second one united to this extent. I need to the properties of the second one united to the second one united that should not be when the second one united to the second one united that the second of the second one united that the second one unite

the tears into my eyes; for she is a muscu- tally determining to look for fresh lodgings neither could I be brought to properly ap-

"Ah! can Coodier? that's the thing," said Grimley, with a twinkle of his evil a give. This was a sly dig at my business, a subject upon which I allow no manto joke. I drew myself up. I am not tall, but even my enemies admit that I'm dignified, and placing my head back—my favorite position when desirous of being impressive—I thus addressed the satirical Grimley:

"Grimley, you are an oid friend. As the post says, 'We were boys together,' but I will not allow you to throw my shop in my teeth in the presence of the gentler sex.—I bion't do it again, trimley, because I don't like it." Then turning to my wife, I said, with a sudden transition of manner from the importally sewere to the domestically gentle, 'My love,' we go to Mudville on leaf to a was not Mrz. Grogrum, but her servant of all work, Susan, or, as she included himself, 'Shoozan."

Shoozan had a round, rozy face, and round, rozy gloovas; she had red hair, and will a reversant of all work, Susan, or, as she included himself, 'Shoozan."

Shoozan had a round, rozy face, and round, rozy gloovas; she had red hair, and will a reversant of all work, Susan, or, as she included with indignation, and tried to awe him, but he was not to be a wed.

"Good morning," said the policeman, familiarly. "I presume—"

"You do, sir," I replied sharply, in my imperious manner; "you presume very considerably in entering a gentleman's apartments in this way, sir. Let me tell Phillis." The number of grates she black, leaded weekly was evidently overwhelming, when compared to the ablintionary exercises she indulged in. In short, she was live it in the presence of the gentler sex.—

"You!" replied the constable in a deep with a sudden transition of manner from the imperially severe to the domestically bursting with some strong grievano, so I will be a sudden transition of manner from the imperially severe to the domestically bursting with some a round, rozy face, and "Good morning." said the policeman, familiarly. "I presume—""

"You do sir," I replied which is a suddentially and

called a 'numry." I have no notion what it means, but it accound insolent. Before I could reply, however, the girl burst forth again, "And if she expects as I'm goin to you're near enough the description for me take the children's dinner up to the top of to arrest you. So, without more adoo, the 'ouse, she's mistook."

and we'd a good deal of luggage—we always have. We didn't wonder long. The
Interesting Stranger soon ferrated out a
ily, and a pretty specimen of a fly it was

is out the kindly tone or my voice was
too much for her; she burst into a veheunent boo hoo, and wept loudly. Beauty
in tears is all rubbish. Those poets again!
Beauty blubbering looks frightful, with a
hatred of "the force." Between these two red nose and swollen eyes. Even the plain desperate women the one policeman of domestic looked plainer after wiping her Mudville would, I am straid, have come to

rary cessation of hostilities.

I was getting tired of being bullisd, and I seized my fat with the intention of going out to find Mrs. Coodler. Chancing to were not in the least alike. The I.S. was look out of the window, I saw M.s. Coolier. Mrs. Coolier was in conversation with the Interesting Stranger. Mrs. Coolier dealarce so, spite of everything; and he was described by the police reporter rently Mrs. C. was enjoying horself, whilst I—but the contrast was too much, and I

admit I was ir judicious enough to dash my hat down over my brows. As it stuck tight, and wouldn't come up again, I immediately repeated my rashness, and felt about for the door with a crab-like action which was appropriate to the locality, but ungraceful, Suddenly I found myself in somebody's

arms. With a convulsive effort I raised my hat; terror had endowed me with increwed strength, and I had a dreadful suspicion it might be Mrs. Grogrum. It was not. It was the one-eyed fly-

wards, occasionally hiccuping. I asked him his business.

The combination of annoyances was get-ting too much for me. I drew myself up "When I clapt my eyes," continued the

"Your eye, sir," I replied, loftity. "Stick "On you," said the one eyed incubu

"Nor ain't going to," I replied, clenchingly, if I may be allowed the ex-

"And I've been to every shop in the place to get change for a five pound hote; but they say there isn't as much money in

It is the place.

I smiled sardonically, but didn't speak.

"Then the fishmonger only comes over from Shellborough on Mondays and Fridays, and to-day's Wednesday; and Mrs. Gorgram says her fire-place ian't big enough to roast joints, so we must have all our meat baked; and there's no draught

"And whose she, I should like to know?"

afted my wife, whose geography is limited, and, poor thing, she thought it was a female's name.

"Oh, rubbish!" I exclaimed, wishing to cover her ignorance, "none of your chaff, firimley, for it's not required. I shall stay at home unless it's settled very soon.

This frightend Mrs. Coodler, I can tell you. She turned pale. I saw the change in the gentleman in the play, "used none"

"For Mrs. Coodler, she come into my thicking and made remarks. Now I'm and the religious are like description."

"In a frightened Mrs. Coodler, I can tell you can be understood we found our own plate—she's only got two-pronged steel forks; and there's a dog next door but one, they tell me, that how's all night; like the gentleman in the play, "used none"

"For Mrs. Coodler, she come into my titching and made remarks. Now I'm and the religious are like door; and the religious and there is no lock to the door; and the religious and the religious and the windows in our room rattle and remarks."

tally determining to look for fresh lodgings as soon as possible, I again attacked the great embezziement case at Bow street.

"Has she ever been there, mum?" asked Grimley.

"No, she hasn't," replied Mrs. C, snappishly; "but she has friends who have, and I can trust her."

"Ah! can Coodler? that's the thing,"

"Ah! can Coodler? that'

STATE FIRE INSURANCE CO.

the imperially severe to the domestically gentle, 'My love, we go to Mudville on laid down my newspaper and waited to like; you must know best." I was tickled by the atrocity of the whole thing. Monday."

Going to Mudville, and getting there, are, I beg to state, two very different matters. The spirit may be willing, but the railway arrangements are worse than weak,

Now I don't think I should like to be

Here Shoozan waggled her head about defiautry.

"My good girl," I said, for I always feel for servants in lodging houses, poor wretches; but the kindly tone of my voice was eyes with her apron.

"Its very hard to be called names, a poor peril, and produced a pair of handcuffs. I girl as never seen her parents." Here she burst out again.

"There, go along," I said; "Sarah shall pointed to the direction of my boxes; I threatened to write to the Times! I extra the parting bow! she relief.

service at once, sir, on the spot." Here blindest confidence in the Mudville police-she selected a stain on the dugget to stand man, who was the model of manly beauty upon, thereby adding, as she evidently im- in the eyes of the neighboring maid-

"Good gracious, Sarah!—

"It's no use your trying to look diguided frantic, the nurse furious, the children fractions. When Sarah Niggles says a thing, Sarah Niggles means it; and I'm off by ity and big-headedness, the policeman

the nex conveyance."

I looked stround helplesely, but my wife was out still, and until she came back I could say nothing. Sarah could. She was apt to stuck on a good many superfluous h's when exitted, and she gave it as her 'hopinion that the isndiady was honly a helpinion that the is She would have continued in the same time a change as remarkable came over the countenance of the aggressive strain, but, luckily, my youngest child with constable. He clapped his eye on the figure intelligence beyond its years—or, r ther, months—took advantage of the occasion to fall off a high hair. This necessitated the presence of Sarah up stairs, and a tempo—

The Interesting Stranger answered to

ceive the grovelling spologies of Mrs. Gro-grum, the trembling beseechings of the ob-tuse policeman, the solemn assurances of attention and cleanliness from Shoczan, the

universal sympathy of the excited popu-lace—did I wait for all this? Did I? Did I fetch the one-eyed fly driver from his favorite haunt, and bundle self and family back to town that afternoon?
